

Evidence Before Adjectives

Turn broad claims into credible evidence a reader can question and trust.

WHAT THIS EDITION HELPS YOU DO

Rewrite one résumé bullet so your action, context and result are visible without relying on adjectives.

HOW TO USE THE WORKING PAGE

Read this preview, then complete the next page before your next application, interview or offer conversation. The value is not in collecting advice; it is in making a decision visible enough to act on.

This is a sample briefing for educational reading. It is not a historic newsletter send and does not guarantee an interview, offer or outcome. Framework reference: [MIT Career Advising & Professional Development — STAR method](#).
