

Make the next step concrete.

What do you need to understand before deciding the work, manager and operating environment fit your criteria?

WORK THROUGH THESE THREE PROMPTS

Write one question about success in the first six to twelve months.

Write one question about authority, influence and where decisions sit.

Write one question tailored to the interviewer's direct experience of the role.

YOUR ONE-SENTENCE COMMITMENT

The action I will take before my next career decision is:

Educational guidance only. Further reading: [University of Michigan Career Center — Interviewing Resources](#).
