

Make the next step concrete.

What information would you regret not asking for before you accept, decline or negotiate?

WORK THROUGH THESE THREE PROMPTS

Ask when the employer needs a considered response.

Read the written offer and note every term that is unclear or contingent.

Choose one trusted person who can challenge your assumptions without deciding for you.

YOUR ONE-SENTENCE COMMITMENT

The action I will take before my next career decision is:

Educational guidance only. Further reading: [DePaul Career Center — Job Offers & Salary Negotiation](#).
