

The ATS Translation Layer

Career Weekly sample briefing

Use role language without borrowing experience.

A practical Career Weekly working document for making experience clearer, more specific, and easier to evaluate.

COMPLETE EDITION

The ATS Translation Layer

Read the target posting for responsibilities, skills, and repeated language before editing your résumé.

Use this page with one real role, project, or decision. Capture the raw evidence before you polish the language.

WORKING PROMPT

Write one accurate example from your own experience related to this idea in the ats translation layer.

EVIDENCE CHECK

What would let another person understand, search, or verify this claim without guessing?

COMPLETE EDITION

The ATS Translation Layer

Translate role language into your own evidence; do not copy a keyword that you cannot explain.

Use this page with one real role, project, or decision. Capture the raw evidence before you polish the language.

WORKING PROMPT

Write one accurate example from your own experience related to this idea in the ats translation layer.

COMPLETE EDITION

The ATS Translation Layer

Use a single-column, readable structure with conventional section names and a clean reading path.

Use this page with one real role, project, or decision. Capture the raw evidence before you polish the language.

WORKING PROMPT

Write one accurate example from your own experience related to this idea in the ats translation layer.

EVIDENCE CHECK

What would let another person understand, search, or verify this claim without guessing?

COMPLETE EDITION

The ATS Translation Layer

Test every keyword against a real project, decision, tool, or result you can discuss.

Use this page with one real role, project, or decision. Capture the raw evidence before you polish the language.

WORKING PROMPT

Write one accurate example from your own experience related to this idea in the ats translation layer.

COMPLETE EDITION

The ATS Translation Layer

Review extracted text and the human version together; clarity for both matters.

Use this page with one real role, project, or decision. Capture the raw evidence before you polish the language.
