

# Make the next step concrete.

Take one difficult prompt: is it really asking about ownership, influence, resilience, judgment or self-awareness?

## WORK THROUGH THESE THREE PROMPTS

Write the capability you think is being tested.

Choose a real example with enough stakes to demonstrate that capability.

End your answer with the result or reflection that makes the learning relevant now.

## YOUR ONE-SENTENCE COMMITMENT

The action I will take before my next career decision is:

Educational guidance only. Further reading: [University of Michigan Career Center — Interviewing Resources](#).
