

Evidence Before Adjectives

Turn broad claims into credible evidence a reader can question and trust.

WHAT THIS EDITION HELPS YOU DO

Rewrite one résumé bullet so your action, context and result are visible without relying on adjectives.

HOW TO USE THE WORKING PAGE

Read this preview, then complete the next page before your next application, interview or offer conversation. The value is not in collecting advice; it is in making a decision visible enough to act on.

This is a sample briefing for educational reading. It is not a historic newsletter send and does not guarantee an interview, offer or outcome. Framework reference: [MIT Career Advising & Professional Development — STAR method](#).

Make the next step concrete.

Choose one claim you make about your leadership or expertise. What specific decision or outcome would make it believable?

WORK THROUGH THESE THREE PROMPTS

Name the operating context: what was changing, at risk or newly required?

State the action you personally took; avoid letting “we” hide your contribution.

Write the observable result and the question you could answer if a reviewer asked for proof.

YOUR ONE-SENTENCE COMMITMENT

The action I will take before my next career decision is:
